

Join us as we celebrate the 2024 Great Southeast Pollinator Census, counting pollinators throughout Georgia, South Carolina, North Carolina & Florida on August 23rd and 24th. Share the following social media graphics and sample copy with your networks.

Important information:

- Tag us in your posts!
 - Great Southeast Pollinator Census: [Instagram](#), [Facebook](#)
 - UGA Extension: [Instagram](#), [Facebook](#), [Twitter](#)
- Link to our website: <https://GSePC.org>
- Add your logo to our editable graphics in Canva!
 - **Remember** to use a PNG file, if possible, to avoid a box around your logo. Also, give your logo space to breathe, matching the spacing of the existing UGA Extension logo.

INSTAGRAM

Post

- **Sample copy:** We are a proud partner of @southeastpollinators and will be participating in the 2024 Great Southeast Pollinator Census count on August 23 and 24. Join us as we appreciate the insects that help make our world so great!
 - Link for bio: <https://GSePC.org>
- **Remember** to put the link in your account bio (not the post itself), so it's clickable. Otherwise, viewers won't be able to access the link you shared.
