2. VISUAL SCHEDULE FOR POLLINATOR COUNT

MY JOB:

I am a citizen scientist!
I follow my steps.

1		**GET READY** Check my tools.
2		**GO TO GARDEN** Walk with my group.
3		**FIND FLOWERS** Look at the flowers.
4		**WATCH** Look carefully.
5		**COUNT** Make tally marks for pollinators.
6		**RETURN INSIDE** Back to the lab.
7		**GRAPH** Add my data to the graph.
8		**FINISHED** Great job!

FIRST

Observe for ____ minutes.

THEN

Return to STEM Lab.

I CAN DO IT!

- Take deep breaths.
- Ask for help.
- Use my break card.
- Stay with my group.
- I am a scientist!
